

NUPOINT MESSENGER First Time Set-Up

At your desk: 7000 or press Voice Mail key

From outside: 224-303-3900

“Hello mailbox __ please enter your passcode
Enter default Passcode 1111

Dial * Mailbox number ____ *
Hello mailbox ____ please enter
your passcode
Enter default Passcode 1111

You will hear Welcome to your voice message center, I will be helping you set up your own personal mailbox. 1st we will set a passcode to keep your mailbox private. 2nd we will record a greeting for your callers. Finally, we will record your name in your own voice. I will tell you what keys to press. Let's get started.

We are going to create a passcode for you, a 4-10 digit number.

Press U or 8 to enter user options

Press P or 7 to enter your passcode

Enter 4-10 digits or 0000 for no passcode

Record a greeting

Press U or 8 to enter user options

Press G or 4 to record a greeting

Record greeting

Press D or 3 to discard & rerecord, R or 7 to review or X or 9 to save

Record your name
